JANUARY / FEBRUARY 2024

In our first newsletter of the year, we're reaching out for your support. As we embark on a new year filled with fresh beginnings and exciting adventures, consider making one of those adventures a positive contribution to our community. Join us in making a difference!

JOIN THE BOARD AND BE ONE OF OUR COMMUNITY SUPERHEROES

Life's a rollercoaster with work and family, we get it. But here's why it's awesome to join:

Team Effort: We're all in this together. Spread the tasks, and no one's drowning in to-dos.

Dog Walkers' Delight: Some board duties are as easy as walking your dog. Seriously!

Architectural & Grounds Magic: Join the team in preserving the beauty of our neighborhood. No handy skills necessary!

Hospitality Stars: If you're a people person, we need you! Say hi to our Hospitality role and spread the warmth in our community by welcoming new neighbors.

Curious to know more? Let's chat! Join us at the upcoming board meeting, where we'll gladly address all your questions and help you find the perfect task that aligns with the time you're willing to contribute to your community. You can also reach out to any of our board members for more information.

REMINDERS

A couple of friendly reminders to ensure the safety and curb appeal of our neighborhood:

Lights out by February: While we understand the weather has been quite the show, when you find a moment and the rain takes a break, kindly take down those festive lights by the beginning of February.

Trash Can Tango: Let's jazz up our streets! Tuck those trash cans out of sight when you can. A little pull and push – voila! It's an easy dance move that makes our neighborhood shine.

Safety First, Speak Up: Our collective responsibility for a secure neighborhood includes the superheroic mantra: if you see something, say something. Utilize the non-emergency number **503-629-0111** for any suspicious activities. Let's maintain a safe and enjoyable community.
