

The month of June is the time for electing new board members into any open positions. This year there are 3 positions open to be filled by election and one by appointment to fill an existing vacancy due to resignation. The term of office will be 3 years.

Board members may be proposed anytime from now until the day the vote will be held. Anyone accepting the nomination needs to be able to attend the board meetings regularly and have the time and ability to carry out the duties of the offices and committee roles to which they will serve.

Any homeowner can nominate another homeowner, or themselves. Proposed members should be present at the June meeting to accept the nomination and witness the vote.

For the vote to take place, by law, there needs to be a quorum present. Which means a specific number of homeowners and board members need to be present. It is **extremely important** for you to come to the annual meeting. Typically, 30 to 45 minutes of your time is needed. PLEASE JOIN THE MEETING!
