Real property in addition to that described in EXHIBIT A may be made subject to the jurisdiction of the Association, whereupon automatically it shall be included in any reference herein to "said property" or "said properties".

1. Annexation of additional property shall require the assent of persons entitled to cast two-thirds $\{2/3\}$ of the votes of the Class B members present in person or by written proxy and (except as provided in Section 2 below) the assent of persons entitled to cast two-thirds $\{2/3\}$ of the votes of the Class A members present in person or by written proxy at a meeting of the Association duly called for such purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of such meeting, setting forth the purpose thereof.

The presence of members entitled to cast 60% of the votes of each class of membership shall constitute a quorum at such meeting. In the event that a quorum is not forthcoming at any such meeting, another meeting may be called, subject to the notice requirement set forth above, and the required quorum at such meeting shall be one-half of the required quorum at the preceding meeting. If the required assent is not forthcoming, no subsequent meeting shall be held for the purpose of annexing such property for sixty days from the date of the last such meeting.

2. If within ten $\{10\}$ years of the date of incorporation of this Association, the Declarant should develop additional lands within the area described in EXHIBIT B attached hereto, such additional lands may be annexed to said properties without the assent of the Class A members; provided, however, that if any of said property is subjected to an FHA-insured mortgage, then the development of additional lands referred to in this subparagraph $\{2\}$ shall be in accordance with the general land development plans submitted to the Federal Housing Administration with the processing papers for the first application for an FHA-insured mortgage on any part of said property. property is to be annexed to the Association without the consent of the Class A members. If the Federal Housing Administration determines that such detailed plans are not in accordance with the general plan on file and so advises the Association and the Declarant, the development of the additional lands must have the assent of two-thirds $\{2/3\}$ of the Class A members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting setting forth the purpose of the meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting. Unless otherwise specifically so stated, submission by the developer to FHA of a general development plan shall not obligate developer to make the proposed annexations.

ARTICLE III MEMBERSHIP

Every person or entity who is a record owner $\{$ including contract sellers $\}$ of a fee or undivided fee interest in any Dwelling Unit or any Lot, or Building Site located upon any part of said property shall, by virtue of such ownership, be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any such Dwelling Unit, Lot or Building Site made subject to the jurisdiction of the Association. Such ownership shall be the sole qualification for membership, and shall automatically commence upon a person becoming such owner, and shall automatically terminate and lapse when such ownership in said property shall terminate or be transferred.

ARTICLE IV VOTING RIGHTS

The Association shall have two classes of voting membership:

Class A. Class A members shall be all those Owners as defined in Article III with the exception of the Declarant. Class A members shall be entitled to one vote for each Dwelling Unit, Lot and Building Site in which they hold the interest required for membership by Article III. When more than one person holds such interest in any Dwelling Unit, Lot or Building Site, all such persons shall be members. The vote for such Dwelling Unit, Lot or Building Site shall be exercised as they among themselves determine, or if unable to agree, they may cast fractional votes proportionate to their ownership interests, but in no event shall more than one Class A vote be cast with respect to any one Dwelling Unit or Lot. The vote applicable to any of said property being sold under a contract of purchase shall be exercised by the contract vendor unless the contract expressly provides otherwise.

In order to prevent duplication of voting rights, if the owner of a Dwelling Unit is entitled to a vote by reason of any such ownership, neither he nor any other person shall be entitled to a vote by virtue of ownership of any interest in the land upon which is located the building in which such Dwelling Unit is located.

Class B. The Class B member $\{s\}$ shall be the Declarant, its successors and assigns. Class B member $\{s\}$ shall be entitled to five $\{5\}$ votes for each Lot in which it holds the interest required for membership by Article III, and which is subjected to the jurisdiction of the Association by

recorded covenants; provided that existing Class B votes shall be converted to Class A votes upon the happening of either of the following events, whichever occurs earlier:

- a) On a date ten {10} years from the date of filing of the Articles of Incorporation of The Four Seasons Homeowners Association; or
- b) When the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership; provided that if Declarant subjects additional property to the jurisdiction of the Association by recorded covenants in the manner provided herein, it shall be entitled to Class B votes for such additional property as indicated above.

ARTICLE V.

PROPERTY RIGHTS

Section 1. Members' easements of enjoyment. Every member of the Association shall have a right and easement of enjoyment in and to the Common Areas and such easement shall be appurtenant to and shall pass with the title to every assessed Lot; subject, however, to the following provisions:

- a) The right of the Association to limit the number of members permitted to use the Common Areas;
- b) The right of the Association to charge reasonable admission fees for the use of any recreational facility situated upon the Common Areas or otherwise controlled by the Association, including, particularly, the right to charge an annual or other periodic fee for members who desire exclusive use of such facility and who are willing to pay a special fee or assessment for such use;
- c) The right of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Areas and facilities and in aid thereof to mortgage said Common Areas facilities for such purposes, and the rights of any mortgagee in said properties shall be subordinate to the right of the homeowners hereunder;
- d) The right of the Association to suspend any member's voting rights and / or right to use of any of the recreational facilities owned by the Association, for any period during which any assessments against said member's property remains unpaid; and for a period not to exceed thirty {30} days for each infraction of its published rules and regulations;
- e) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. No such condition or transfer shall be effective unless an instrument signed by members entitled to cast a two-thirds of the votes of the Class A membership and a two-thirds of the votes of the Class B membership, if any, has been recorded in the appropriate records of Washington County, Oregon, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty {30} days nor more than ninety {90} days prior to such dedication or transfer;
- f) The right of the directors of the Association to promulgate reasonable rules and regulations governing such rights of use, from time to time, in the interest of securing maximum safe usage of such Common Areas by the members of the Association without unduly infringing upon the privacy or enjoyment of the owner or occupant of any part of said property, including, without

being limited thereto, rules restricting persons under or over designated ages from using certain portions of said property during certain times, and reasonable regulations and restrictions regarding parking.

Section 2 Delegation of Use. Any member may delegate, in accordance with the Rules and Regulations adopted from time to time by the Directors, his right of enjoyment to the Common Areas and facilities to the members of his family, his tenants, or contract purchasers, providing they reside on the property.

Section 3. Title to the Common Areas. The Declarant hereby covenants for itself, its heirs and assigns, that it will convey to the Association fee simple title to the Common Areas designated as such on EXHIBIT FHA-insured mortgage.

**ARTICLE VI
COVENANT FOR MAINTENANCE ASSESSMENT**

1. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for all of said Property, and each Owner of any Dwelling Unit, Lot or Building Site by acceptance of a deed or contract of purchase therefor, whether or not it shall be so expressed in any such deed or other conveyance or agreement for conveyance, is deemed to covenant and agreed to pay to the Association: {1} Regular annual or other regular periodic assessments or charges, and {2} Special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The regular and special assessments, together with such interest thereon and cost of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time such assessment was levied. The obligation shall remain a lien on the property until paid or foreclosed, but shall not be a personal obligation of successors in title unless expressly assumed by them.

2. Purpose of Assessments. The assessment levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in the said property and in particular for the improvement and maintenance of said property, any Common Areas, the services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas, and of the Dwelling Units situated upon said property and including, without being limited thereto, the payment of taxes and insurance on all or any part of said property.

3. Basis and Maximum Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Dwelling Unit or Lot or Building Site to an Owner, the maximum regular assessment shall be Twenty {20.00} Dollars per month for each Lot or Dwelling Unit subject thereto.

a) From after January 1 of the year immediately following the conveyance of the first Lot or Dwelling Unit to an Owner, the maximum monthly assessment may be increased effective January 1 of each year, beginning January 1 of the year following the date hereof, without a vote of the membership in conformance with the rise, if any, of the Consumer Price Index {published by the Department of Labor, Washington D.C., or successor U.S. Governmental agency, U.S. city average} from July of the year in which these covenants are recorded to July of the year preceding the year in which such increase becomes effective.

b) From and after January 1 of the year immediately following the conveyance of the first Lot to an owner, the maximum monthly assessment may be increased above that determined by reference to the Consumer Price Index, as foreshaid, by a vote of the members, providing that any such increase

shall be approved by the affirmative vote of not less than two-thirds of the votes of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum flat charge and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

c) After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix a regular flat assessment upon a monthly, quarterly, or annual basis at an amount not in excess of the maximum specified above.

d) If any Owner should fail to keep and maintain properly the exterior of any building or lot or the exterior of any common or other area of said property owned or maintained by said Owner in good condition, or if any part of said property becomes damaged or destroyed, then the Association, after giving said Owner reasonable written notice (by Certified or Registered mail with return receipt requested, quoting a copy of this paragraph), may enter upon said property and perform said maintenance and assess the reasonable cost thereof to said Owner, such assessment shall be added to the regular assessment and become a lien and enforceable in the same manner. Disputes concerning the enforcement of this provision and the necessity of such maintenance or replacement shall be arbitrated by an arbitrator to be mutually agreed upon by the parties, or if the parties are unable to agree, then as appointed by the Circuit Court of the State of Oregon for Washington County or other court of appropriate jurisdiction.

4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon Common Areas, including the necessary fixtures and personal property related thereto, provided that, except for repairs or replacements, any such assessment for structural alterations, capital additions or capital improvements reflecting an expenditure of in excess of \$500.00 shall require the assent of a two-thirds (2/3) majority of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting.

5. Uniform Rate of Assessment. Both regular periodic flat charges and any special assessments (except those levied pursuant to Paragraph 3(d) above) must be fixed at a uniform rate for all Dwelling Units, Lots and Building Sites, and may be collected on an annual, quarterly or monthly basis in the discretion of the Directors; except that assessments may be levied applicable to some Lots only with prior consent by the Owners of such lots if such procedure is considered equitable in the discretion of the Board in order to construct facilities to be available only to the members desiring to pay for the cost thereof.

6. Quorum for Any Action Authorized Under Sections 3 and 4. At the first meeting called, as provided in Sections 3 and 4 hereof, the presence at the meeting of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Section 3 and 4, and the required quorum at such subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the date of the meeting at which no quorum was forthcoming.

7. Date of Commencement of Annual Assessment: Due Dates. All Dwelling Units, and all Lots and Building Sites upon which buildings have been constructed shall be subject to the annual or monthly assessments provided for herein on the first day of the month following the date the designated park or recreation facilities are available for use by the members. The first regular assessment shall be adjusted according to the number of months remaining in the calendar year and in no event shall an assessment be levied for a period in which a Lot was not accessible from a paved street or roadway to an improved public street. The Board of Directors shall fix the amount of the regular assessment at least thirty (30) days in advance of each assessment period. Written notice of the assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall upon demand at any reasonable time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a special Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of six percent (6%) per annum. The Secretary of the said Association shall file in the office of the Director of Records, County Clerk, or appropriate recorder of conveyances of Washington County, State of Oregon, within 10 days after delinquency, a statement of the amount of any such charges or assessments, together with interest as aforesaid, which have become delinquent with respect to any Dwelling Unit, Lot or Building Site on said property, and upon payment in full thereof, shall execute and file a proper release of the lien securing the same. The aggregate amount of such assessments, together with interest, costs and expenses and a reasonable attorney fee for the filing and enforcement thereof, shall constitute a lien on the whole Dwelling Unit, Lot or Building Site (including any undivided interest in common elements of any Dwelling Unit, Lot or Building Site in any condominium), with respect to which it is fixed from the date of the note of delinquency thereof is filed in the office of said Director of Records or County Clerk, or other appropriate recording office, until the same has been paid or released as herein provided. Such lien may be enforced by said Association in the manner provided by law with respect to liens upon real property. The owner of said property at the time said assessment is levied shall be personally liable for the expenses, costs and disbursements, including reasonable attorney's fees of the Declarant or of the Association, as the case may be, of processing and if necessary, enforcing such liens, all of which expense, costs and disbursements and attorney's fees shall be secured by said lien, including fees on appeal, and such owner at the time such assessment is levied, shall also be liable for any deficiency remaining unpaid after any foreclosure sale. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his Dwelling Unit, Lot or Building Site.

9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be inferior, junior and subordinate to the lien of all mortgages and trust deeds now or hereafter placed upon said property or any part thereof. Sale or transfer of any Dwelling Unit, Lot or Building Site, or any other part of said property shall not affect the assessment lien. However, the sale or transfer of any Dwelling Unit or Lot or Building Site which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to amounts thereof which became due prior to such sale or transfer, and such lien shall attach to the net proceeds of sale, if any, remaining after such mortgages and other prior liens and charges have been satisfied. No sale or transfer shall relieve such Dwelling Unit, Lot or Building Site from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VII
ARCHITECTURAL CONTROL

1. No building, fence, wall, hedge, structure, improvement, obstruction, ornament, landscaping or planting shall be placed or permitted to remain upon any part of said property unless a written request for approval thereof containing the plans and specifications therefor, including exterior color scheme, has been approved in writing by a majority of the Architectural Committee or by its representative designated by a majority of the Committee.

2. The Architectural Committee referred to herein shall be composed of John H. Klein, Dwight E. Haugen, and Edmund P. Jensen.

Its decision shall be final and binding; however, applications may be resubmitted. Upon failure of the committee or its designated representative to approve or disapprove any application for a period of thirty (30) days -after it has been submitted in writing, in duplicate, to the Chairman of the committee or his designated representative, said application will be deemed to have been approved if the said Chairman has signed and dated said application, acknowledging receipt thereof on a copy submitted with the original. The original members of the Committee shall serve for three years. New members shall be elected for a term of three years by majority vote of the Board of Directors of the Association. If any member of the Committee is unable or unwilling to act, the remaining members shall elect a successor to serve out the unexpired term.

3. No member of the Architectural Committee, however created, or constituted, shall receive any compensation from the Association or make any charge for his services as such.

ARTICLE VIII
EXTERIOR MAINTENANCE

1. Maintenance of Common Areas and Exterior Maintenance. The Association shall maintain or provide for the maintenance of the Common Areas, and in addition, the Association may, if it so desires, provide exterior maintenance upon and for each Lot subject to assessment hereunder, including, without being limited to, the following: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees shrubs, grass, landscaped areas, walks and other exterior improvements. Such exterior maintenance shall not include glass surfaces. In the event that the need for such maintenance or repair is caused through the willful or negligent act or omission of the Owner, his family, tenants, guests, or invitees, the cost of such maintenance or repairs may, in the discretion of the Directors, be added to and become part of the assessment to which such lot is subject, and a lien and enforceable in the same manner. Damage caused by fire, flood, storm, earthquake, riot, vandalism or other causes other than normal wear from use and the elements shall be the responsibility of each owner and not included in any maintenance provided by the Association.

Each owner shall be responsible for maintaining and keeping in good order and repair the interior of his own dwelling unit.

Provided further that if any two or more lots or fraction of one or more lots shall be developed for one building as a single tract or building site, then said easements shall thereafter be located on the area within five (5) feet of the side and rear lines of said building site; if there has been an application to use of such easement prior to development of such lots or fraction of one or more lots to such building site, then, subject to the approval of the Association, such easement may be relocated, but any expense involved in moving any sewer or storm line or other utility lines shall be borne by the Owner of the lot or building site, the development of which requires movement of such lines; and a further mutual and reciprocal easement for sidewalk purposes is granted and reserved over and across the first ten (10) feet of each Lot in said property, and over all Common Areas in said property, for the purpose of constructing and maintaining and repairing sidewalks for the benefit of the residents of said property, their tenants and guests, subject however, to rules and regulations reasonably restricting the right of use thereof for the safety and welfare of the public as may be promulgated from time to time by the Association and / or public authority. ARTICLE XI
GENERAL PROVISIONS

1. **Enforcement.** The Association, or any Owner, or the owner of any recorded mortgage upon any part of said Property, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association, or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. **Severability.** Invalidation of any one of these covenants or restrictions by judgement or court order shall in no wise affect any other provisions which shall remain in full force and effect.

3. Amendment. The Covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Association, or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five {25} years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten {10} years. Any of the covenants and restrictions of this Declaration except the easements herein granted may be amended during the first twenty-five {25} year period by an instrument signed by members entitled to cast not less than seventy-five percent {75%} of the votes of each class of membership. Easements herein granted and reserved shall not be amended except by instrument signed and acknowledged by one-hundred percent {100%} of the Owners of the property affected, the Architectural Committee, by the Planning Commission or by the governing body of the County or other public authority having jurisdiction over the granting of building permits in said property, and by Beaver Construction Company, so long as it owns any interest in the real property referred to in EXHIBIT B. All such amendments must be recorded in the appropriate Deed Records of Washington County, Oregon, to be effective. (See also easements for encroachments specified in Article VII).

4. No Right of Reversion. Nothing herein contained in this Declaration, or in any form of deed which may be used by Declarant, or its successors and assigns, in selling said property, or any part thereof, shall be deemed to vest or reserve in Declarant or the Association any right of reversion or re-entry for breach or violation of any one or more of the provisions hereof.

5. Insurance. The owner of every building or dwelling unit located upon any part of said property shall at all times cause the same to be insured with broad form fire and extended coverage insurance for the full replacement value thereof, and shall upon request, cause the insurance company to furnish the Association with a certificate showing said insurance to be in effect. If any owner fails to furnish the Association with said certificate, the Association may obtain {but it shall be not obligated to do so} such insurance with the proceeds payable to the owner, any mortgagees, and to the Association as their respective interests may appear. The Association shall assess the cost of such insurance against the owner, and such assessment shall become a lien and collectable and enforceable in the same manner as all assessments provided for herein.

6. Benefit of Provisions; Waiver.
